Where do travelers come from?

The Northeast Nebraska Travel Council (NENTC) represents businesses, communities, chambers of commerce and convention and visitors bureaus throughout the Northeast Nebraska region. Tourism is Nebraska's third-largest revenue earner in the state and is a source of real economic development for all communities and businesses in Northeast Nebraska.

The goal of NENTC is to attract more tourists, lengthen their stay and increase their spending while they're here. To accomplish this goal we need your help. By becoming a member you have the opportunity to join others in supporting tourism in our region. Your support will assist with the marketing and promotion of the region as a tourism destination.

Your business and community will also receive greater exposure throughout the region and even farther with the NENTC website, www.TravelNeNebraska.com and the NENTC travel magazine, *Discover Northeast Nebraska*. Join us in strengthening tourism in our region.
